

Surgical Nurses, where do you see yourself in 2008?

Do you see yourself in an environment that offers visible and supportive leadership, a team approach and flexible rosters?

Do you see yourself benefiting from salary packaging opportunities including meal cards, discounted gym membership and car parking options?

Do you see yourself in an organization offering professional and educational opportunities including post graduate scholarships?

Do you see yourself in a 'true' surgical ward caring for patients who have had complex Colorectal, Bariatric, Oesophageal or Vascular Procedures?

Do you see yourself working in the heart of the CBD close to fantastic shopping and cafes?

Tibbits Ward is a progressive and flexible environment seeking experienced Surgical Registered Nurses who are ready to take on future Team Leader and ultimately Clinical Nurse roles.

If Calvary Wakefield is where YOU see yourself in 2008, please contact Toni-Ann Miller on (08) 8405 3429 or email tmiller@calvarysa.com.au to find out more or to arrange a tour of the ward and the hospital.
